President's Comments

We just concluded our bi-annual club meeting and learned that things are going well at County Line Squares. Of course, we all knew that anyway. We have six to seven squares dancing every Monday night at lessons. People are happy to be dancing and meeting new friends. Lessons are closed to newcomers now but anyone who goes to a BLAST WEEKEND would be welcome to join us to cement their learning. Abe is moving the new students right along in learning the basic calls.

We have a group who has been traveling to different clubs. So far they have gone to 28 different clubs. We have eight banners right now and have already returned two more. You are encouraged to join this group of travelers any time you want. It was said, "a lot of the fun is going back and forth to the dances in the vehicles."

Many thanks go to all the club members who help set up and take down at the club dances. Remember, we are trying to help our guests enjoy the evening too. Please wait until 10:10 or so to start cleaning up tables and putting chairs away.

Please note the opportunity to help at Kids Against Hunger. Our club is packing food from 10 to noon on Sat. Nov. 2nd.

See you in a square!
