President's Comments

Hello, Hardy Minnesota Survivor,

I just read that Monticello schools are closed Jan. 27th. If the school is closed, then we don't have lessons. President's Day is another time we don't have lessons. Even the custodial staff has the day off, so we can't have lessons.

We know that spring will arrive – it can't come too soon.

Weather did not keep dancers away from Mid-Winter Magic. The new location in Hopkins had a wonderful, large area for dancing on a wooden floor! Thanks to all the different callers from Swingmasters. It was great to see McGuire Attire from Whitewood Square Dance Shop and Ma & Pa Engraving. The used clothing sale was an added bonus.

I hope you noticed the flyer for the Royalty Luncheon. We gave packets to each club that has royalty. Our club is hosting this event in Maple Lake on April 26th. There is a committee working on the decorations and registration. It is a luncheon for all present and past royalty. So if you've been a king or queen before, you are eligible to attend.

Speaking of Royalty – congratulations to King Tony & Queen Gerlene. They have been going on banner raids and have helped to bring 19 club banners back to Monticello.

You might want to bring larger batches of food to the dances for a while as visitors come to claim their banners. At least three clubs are coming to the Hawaiian Dance.

Looking ahead, the Graduation Pot Luck supper will be held on March 17th. Watch for a sign up to bring food for that. Also, we will be seeking people to be the new Queen and/or King and 2nd Vice President. Consider if you can serve your club in this way.

See you in a square!

Marlys & Larry Wilson

Next Dance:

Friday Feb. 14, 2014

Caller: Royce Nelson
