President's Message

As I assume my new responsibilities as President of County Line Squares, I would like to say thanks to Bob for a job well done in leading us this past year. Also a big thank you to Abe and Carol for all of the hard work both of them do throughout the year.

I would also like to express gratitude to Alice and Fred for all the hard work they have put in as our "Sunshine" persons for the past years. Their cards and visits on behalf of the members have been appreciated by many.

As we start the summer demo and workshop schedule, I hope to see many of you participating. Not only does it reflect well on the organization when we support these activities, it is also an opportunity for all of us to continue to improve our dance skills.

I look forward to working with all of you over the next year and hope to see you across a square soon! "Live Lively – Square Dance!"
