Video requirements:

What I am particularly looking for is people doing "Lively" activities (Running,, swimming,, playing tennis, basketball, etc. use your imagination) and turning to the camera and saying "I Square Dance" I do need the name and spelling of the person being shot and an on camera acknowledgment that they are being recorded for use in a commercial to promote square dancing. The voice track at the end will include "Live Lively Square Dance" and "Visit You2candance.com for information in your area.
