President's Message

Greetings from your new presidents!

As summer starts, all of us need to keep up with square dancing by attending as many of the demos and workshops as possible this summer.

If we don't keep dancing our feet and minds will forget some of the calls and make it harder to come back in the fall.

Our first workshop will be on June 6 at the Monticello High School. Then don't forget the State convention on June 10-12. It is fun to attend even if you are only able to attend one dance. Then there is the National convention on June 22-25, in Des Moines, IA. It is not often that the convention is this close. Both of these are great opportunities to dance to National Callers.

Keep on dancing and smiling.

See you in a square.

Doug and Gael Zachman
