Caller's Corner

This month will mark the one year anniversary of not being able to enjoy meeting with our wonderful square dance friends!!

The good news is I'll get my COVID vaccine shot on the 9th of February. We hope the rest of our group will soon do likewise.

On Valentine's Day try to do something especially nice to someone that is not expecting it. But don't overlook those near and dear to you!!

I've been having trouble with "double vision" part of the time. The word from the eye doctor is that I'll have to get some eye glasses that are supposed to correct that condition (the sooner the better).

Please pray for our "ailing" square dance friends!!

Quote of the day – "Never in a million years could I have imagined I would go up to a bank teller wearing a mask and ask for money."

Stay safe, miss all of you!
