President's Message

Hello County Line Family,

It is with mixed emotions that I write this letter. This past year has been a difficult one for all of us. From the bottom of my repaired heart, I am extremely grateful to all of you for your prayers and concerns during my hospitalization, rehab, and continuing recovering from open heart surgery. I want you to know that square dancing was what was keeping me from having issues sooner and I know that others in our club have also experienced health issues this year due to lack of this activity as well as missing the social interaction with our special square dance friends. We need to do whatever we can to continue keeping County Line Squares an active, vibrant club.

I especially want to thank First Vice President LeRoy and the other board members for all their efforts this past year. Even though we were not dancing, the behind the scenes work continued, and they kept things rolling along.

Lastly, as Paul and I transition from our Minnesota home to our Tennessee home, we will be forever indebted to our County Line family for sharing your friendship with us these past years. We hope that we will be able to join you for dances in the future when we return to Minnesota for regular visits with our children and grandchildren. Also, know that you will always be welcome to visit us in Tennessee. We have plenty of room for guests to stay. Just give us a call when you plan to come (763-442-0113 or 763-442-0109).

Caller's Corner

Greetings Square Dance Friends,

As you all know, it has been a while now since we were together dancing and enjoying each other's company. We need to get together once again soon!

The officers of County Line met and are planning for lessons and dances to resume soon. It would certainly be good for our mental and physical well-being to get back to our wonderful activity. When we do start up again don't hesitate to come; I will be taking it very easy at first until we are ALL comfortable with the square dance calls once again.

Also, please remember to pay your club dues, \$3 for the club and \$5 for the insurance (only \$8 a person). If the money is a problem call us. Don't jeopardize all the fun of being together with our friends

Carol and I are anxiously waiting to see you!
We certainly miss you!

Thanks,

Abe and Carol

Our address in Tennessee is: 363 Mingo Way,
Loudon, TN 37774

Keep dancing and yellow rocks to all until we
are together again,

Rita (and Paul) Sigafus
